Vet Ed 2017 Liverpool

UNIVERSITY OF LIVERPOOL
Institute of Veterinary Science

VetEd 2017
International symposium of the Veterinary Schools Council

Main Conference 6th - 7th July 2017
Pre-conference Workshop 5th July 2017

Vet Ed 2017 is being hosted at the University of Liverpool on the 6th - 7th July 2017, with a pre-conference workshop on 5th July 2017.

Vet Ed 2017 will additionally be targeting institutions that teach veterinary nursing as an opportunity to grow the network of delegates to attend.

The symposium has a friendly and inviting atmosphere. Invited keynote speakers are intended to be informative and stimulating. There are no short communications but instead posters and interactive sessions (e.g. workshops, panel discussions, interactive talks, practical activities) are invited. All posters are presented in a group session, as well as being displayed throughout the conference. Workshops are intended to be interactive and cover a wide variety of topics.

The Conference is an excellent networking platform for members and provides a wonderful opportunity for Vet Ed to raise its own profile with members, as well as others within academic learning. The University of Liverpool Vet Ed 2017 organising committee will endeavour to maximise the outcomes from the conference and it is a great honour for us to host this event.

In addition to the University hosting the Vet Ed 2017 Conference, the City of Liverpool will, as always, provide a truly friendly welcome to delegates.

Call for abstracts is now open
Deadline for submission of abstracts - Friday 17th March 2017
Abstracts can take the form of Poster presentations or Interactive sessions (e.g. workshops).

Online booking for delegates opens early March 2017
Further details will be posted on the website below.
